

*At Lakewest Assisted Living, everything we do focuses on our residents. Our most important goal is to provide the best possible support services for each individual resident. At Lakewest, you will receive just the right amount of assistance while maintaining as much independence as possible. Choosing Lakewest as your home can provide you with a stress-free, worry-free lifestyle.*

## AFFORDABLE ASSISTED LIVING

At Lakewest Assisted Living, we are dedicated to providing an affordable option to senior care. We partner with government programs to give seniors the low income housing they need on their fixed income. With the assistance of Medicaid, Section 8 Housing and private funds we are able to make assisted living available to those that may have a limited monthly income.

## SKILLED NURSING CARE

Nearby is our valued partner Lakewest Rehabilitation and Skilled Nursing Center. If your loved one becomes ill or needs additional care after a hospital stay or surgery, Lakewest Rehabilitation and Skilled Nursing Center is adjacent to our community and able to provide the short-term recovery needs for your loved one. Once your loved one recovers they are able to return home and back to their life.
